## Why Burgerville?

Burgerville is committed to fresh, local, sustainable food and creating lasting partnerships in our community.

## How it works.

- Set a date and time for members of your organization to meet and dine at Burgerville. This is typically a three or four hour window during the week.
- Burgerville will create a flyer for you to make copies.
- Meet at the designated Burgerville to dine during the specified hours.
- A percentage of sales generated by your organization will be donated back to you.
